2024 GREAT EXPECTATIONS!

Don't Miss the Red Bluff Business Expo & Mixer!

12th annual event in February - allow it to be 'Your Time To Shine'!

Mark your calendars for the 12th Annual Red Bluff Business Expo and Mixer on February 22nd. Presented by the Red Bluff-Tehama County Chamber of Commerce, this event will connect businesses, employers, and job seekers in the local community.

The Business Expo will start with a "Business to Business" session from 4:00 to 5:00 pm, providing an opportunity for networking and valuable connections. Afterward, the event will open its doors to the public for free from 5:00 to 6:30 pm. Over 70 vendors will be showcasing their businesses, organizations, and events.

Last year's Expo received positive feedback, and this year, the Chamber aims to exceed expectations once again. Local businesses can showcase their offerings to the Red Bluff and Tehama County community. Some vendors will even offer exclusive "Show Specials" and discounts during the event.

Vendor registration is now open, and early registration is encouraged. The registration fee is \$50 per table before February 16th, and \$75 after. Space is limited, so secure your spot early.

The Business Expo is not just about networking; it's also a fun-filled event with live music, complimentary appetizers, and a free Photo Booth for attendees. There will also be a Grand Prize giveaway.

For questions or assistance, contact the Chamber at jason@redbluffchamber.com or call 530-527-6220. Register today to support local businesses and join the Red Bluff Business Expo and Mixer. We look forward to seeing you there!

Chair's Corner

Regardless of whether you're ready for it or not, 2024 is officially upon us. For many of you, the last few days and/or the next few days were/will be spent putting away your twinkle lights, deflating your festive yard art and disposing of your Christmas tree. For those of you who went full on Clark W Griswold for your Christmas decor, I both commend you and feel your pain all the same. There's also that extra 5-15 lbs of cheese, ham, turkey, prime rib and varieties of excess carbs that many of us will get to focus on burning back off over the next several weeks. I recommend treating yourself to a membership at Tehama Family Fitness. Go in and talk to Nolan, Jill, Aubrie or Kyle and they'll help keep you motivated to use it the entire year.

The Chamber Christmas Breakfast was a tremendous success this year. I unfortunately had to dust off an old ugly sweater since my new ugly sweater didn't arrive until December 28th. Now I'm super prepared for next year's event. It took 10 weeks to arrive....I didn't realize that that the Pony Express was still a delivery option these days. Special thanks to Red Bluff Dodge for hosting the event. It was a packed house. Los Mariachis's put together another great spread of food for us. I was guilty of having 2nds. The show was certainly stolen by the Nomlaki tribe and their incredibly generous donation to the CHiPs For Kids Toy Drive. Prior to their donations, it was already a record setting day, but then they pulled up and unloaded a Jeep full of additional toys that easily matched what had already been collected. I still don't know how they fit so many toys into that Jeep. It was a Tetris style packing display that would've impressed even my father.

GMRB is back at the Fair Grounds on January 25th at 7:50AM to kick off the annual Bull and Gelding Sale. I highly recommend you bring a fellow business owner that doesn't normally attend GMRB and get them involved. I also encourage you to dress warmly as this is likely the coldest GMRB of the year....and every previous year leading up to this. Remember, the Tehama County Chamber of Commerce is the largest business focused organization in Tehama County, so if you're wanting to grow your business in 2024, the Chamber is the place to start. I'm optimistic that 2024 is going to be a great year for all of us and give us even more reasons to believe that Tehama County is a great place to live.

January Chamber Networking at the Bull & Gelding Sale

Thursday, January 25 from 7:50-9am is our largest networking meeting of the year. It will be an excellent opportunity to network with Red Bluff and Tehama County's finest! This event is hosted by the Cattlewomen at the Fairgrounds vendor tent area at the Reynold Ranch Section. With delicious morning goodies! Be sure to dress warm! We hope to see everyone at Good Morning, Red Bluff, the most popular networking event in the county, so we can learn more about you and your business! Visit the Bull and Gelding Sale vendors after the networking. Please invite friends or associates to join you!

Happy New Year Chamber Members!

What a wonderful holiday season here in Red Bluff. It's wonderful to see our community can come together to include those that are less fortunate, whether it be in gifts or a visit with flowers. Acts of kindness like these make a difference in the development and inclusion of various generations in our community. It's heartwarming to see such generosity and compassion towards those in need. Here's to more moments of kindness and togetherness in the new year!

Thank you, Kristal Todd

Director's Corner

Happy New Year from the Red Bluff Chamber! Wow, what a year! I'm so thankful for everything that took place this past year with the Chamber.

Liz Forsberg as Chair, finishing up her 2 years in July and Jody Bartley stepping up to assume the Chair position again. Both have run with strategy, working together with our amazing Board for

great Chamber momentum to continue.

We conducted over 20 ribbon cuttings and have seen our Ambassador program active thanks to Kristal Todd taking the Chair position and all the Ambassadors and making even more impact throughout our business community. Jason and Nathaniel continue to do amazing work in the office along with our new team member Gretchen.

The Chamber continued again with all our normal events such as Good Morning, Red Bluff and the Cowboy Golf Tournament in April which was sold out.

We promoted over 330 community events that assist local business and organizations, many of which bring in visitors to our area. The phone calls, office visits, emails, website hits and Facebook presence all have continued to increase. We sent out over 115 visitor information and relocation packets.

Our Parades and Farmers' Markets were amazing and continue to grow. We have increased our partnership with regional and statewide Chambers and Tourism organizations for greater effectiveness to promote our City and County. Our promo video of Red Bluff and Tehama County has received over 125,000 views since last Fall.

Our Chamber Dinner in October was a wonderful event at a new venue, filled with amazing people, awards and fun.

The 8th edition of our Chamber Business Directory and Tourism Guide pivoted to more digital and was the most popular one yet!

The outpouring of love through our Christmas Joy Arrangements to over 650 seniors county-wide was due to your generosity, Chairman Dru with the Paskenta Tribe Foundation, and Haley Ray and team at Tehama Floral.

Our newest signature Christmas event "Christmas at the Kraft" was amazing and filled with fun times.

We ended the year with our 9th Annual Chamber Christmas Breakfast at Red Bluff Dodge. It was filled with great joy and brought in a record 600+ toys for the CHiP's for Kids.

We at the Chamber are **thankful to be able to take on the role for Economic Development for our County. We are working on a new website, welcome video, training and so much more.**

So much happened throughout the year that I am unable to fit in my column this month— so I invite you to **please visit our website, Facebook page and our Instagram account** for more information.

Our desire is to continue to encourage business, tourism, and the local economy not with just "busyness", but strategic effort to strengthen and grow our local economy.

Thank you all for being a member of the Chamber, volunteering and supporting us throughout the years! Over 2,000 hours were logged in by volunteers to the Chamber through events and daily Chamber promotion of our area this past year alone! Congratulations volunteers, we couldn't do it without you! **2024 will be a great year—** continuing to make Red Bluff and Tehama County a great place to live!

-Dave Gowan, CEO

The Red Bluff-Tehama County Chamber of Commerce will undergo renovations in January for a more welcoming and functional space. Due to a leaking roof, the Chamber has temporarily moved to Mercy High School. The remodel will provide expanded space, a reception area, and a conference room. The Chamber aims to create a welcoming atmosphere for residents, businesses, and entrepreneurs. Local contractors are involved in the project, and the Chamber is grateful for the partnership with Mercy High School. The temporary location is conveniently close to the Chamber office. The Chamber looks forward to expanded services, economic development initiatives, and collaborations with the County and City of Red Bluff. Exciting times lie ahead for Tehama County.
